

**4.1.1 The Institution has adequate infrastructure and other facilities for, teaching – learning, viz., classrooms, laboratories, computing equipment etc ICT – enabled facilities such as smart class, LMS etc. Facilities for Cultural and sports activities, yoga centre, games (indoor and outdoor), Gymnasium, auditorium etc (Describe the adequacy of facilities in maximum of 500 words.)**

The college has 4.5 acre land with built up area of 7,697.07 square meters and 10,513 square meters of open space providing rooms, space for garden, parking and sports facilities. In this context, college maintains congenial environment for learning. The college has 30 classrooms, 11 have LCD and ICT facilities. The class room has excellent ventilation large black, green boards and furniture to enhance student learning capacity comfortably. The College has seven staff rooms including separate staff room for lady teachers. The College has fully equipped five Basic Science Laboratories and Two Computer Laboratories. Botany and Zoology laboratories have specimen museum along with Computers and Internet facility to enrich learning experience.

Our Library and Information Centre provides an open access to an extensive range of educational resources, including books, periodicals, e-journals and e-resources. The Online Public Access Catalogue (OPAC) simplifies resource navigation. With an impressive collection of 21,941 books, the well-furnished library supports student's academic requirements. Free browsing, news papers, book banks, reference sections, and question paper banks are also available. The library includes comfortable reading room with seating capacity for 100 students. For subject specific study, the majority of other departments have their own departmental libraries in addition to the central library.

The College ICT enabled seminar hall with 200 seating capacity used for conducting various programmes like seminars, conferences, workshops, co and extra-Curricular activities. The meeting hall is available for conducting staff meetings IQAC meetings and management meetings. To ensure uninterrupted power supply, power generator is installed in the college campus. The drinking water facility is made available by installing RO plant in the campus. The College has well maintained and hygienic canteen. 24x7 CCTV cameras are installed for safety and security throughout the college campus, including the classrooms and corridors.

An open air theatre has been built in the college quadrangle. It hosts a variety of cultural events, sports, games, yoga training and national festivals. There are five wash room blocks in the campus for both men and women. The College has a separate parking space for two wheelers and four wheelers for both the staff and students. The Physical education department with all facilities provides ample space for sports and games. The students have an access to practice and play in premier places like Ballari city stadium and RYMEC campus for indoor games. Our College infrastructure facilities are extended to conduct various government meetings, offline government examinations like KPSC, Police Department etc., training programs and others. Overall the college aims to provide Quality education in safe environment. The College facilitates two hostels to accommodate nearly 500 students. The hostel not only provides nutritious and hygienic food, but also a pure drinking water as it is bestowed with the water purifier.
