Academic Audit Year under Purview 2018-19 Report

olk

Dates of Visit : 7th & 8th August, 2019

Criterion I : Curricular Aspects	
Curricular Planning and Implementation	The senior teachers are involved in curriculum planning at the university level as BOS, BOAE & BOE member. The teaching plan prepared need to be implemented rigorously.
Curriculum Enrichment	Teachers are adopting ICT in teaching. But, all teachers need to explore ICT as a way of teaching in the classroom.
Feedback System	Feedback is collected regularly but need to be analyzed systematically.

Criterion II: Teaching—Learning and Evaluation	
Student Enrolment and Profile	Good.
Catering to Student Diversity	Good.
Teaching-Learning Process	Needs improvement by adopting latest pedagogical tools.
Teacher Quality	Good. Significant number of teachers is having Ph D. Other teachers also need to acquire higher qualifications. Teachers need to find more time to actively involve in research.
Evaluation Process and Reforms	Student evaluation quite good and transparent.
Student Performance and Learning Outcomes	Satisfactory. However, still higher performance can be achieved academically.

Criterion III: Research, Consultancy and Extension	
Promotion of Research	A system plan needs to be developed at the departmental level in this regard.
Resource Mobilization for Research	MRP & Projects are lacking.
Research Facilities	Science departments' laboratories need to be equipped with more infrastructures suitable for research activities.
Research Publications and Awards	Low. Needs a drastic improvement.
Extension Activities and Institutional Social Responsibility	Good.
Collaboration	Good, but activities under MoUs & Collaborations need to be increased.

Criterion IV: Infrastructure and Learning Resources	
Physical Facilities	Very Good.
Library as a Learning Resource	Good. Special attention need to be given to improve the usage rate and automation need to be implemented.
IT Infrastructure	Needs improvement.
Maintenance of Campus Facilities	Satisfactory.

Criterion V: Student Support and Progression	
Student Mentoring and Support	Restart Mentoring System.
Student Progression	No systematic follow up. Needs improvement
Student Participation and Activities	Good especially at the cultural level.

Criterion VI: Governance, Leadership and Management	
Institutional Vision and Leadership	Good.
Strategy Development and Deployment	A time bound roadmap need to be communicated to all stakeholders.
Faculty Empowerment Strategies	Good.
Financial Management and Resource Mobilization	Need to identify funding agencies and make serious efforts to mobilize funds.
Internal Quality Assurance System	Department level needs strengthening.

Criterion VII: Innovations and Best Practices	
Environment Consciousness	Satisfactory.
Innovations	A conscious effort in this direction is lacking.
Best Practices	Good.

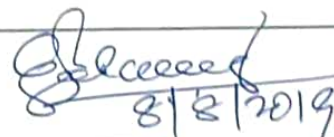

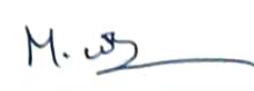

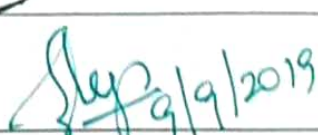

SWOC	
Strengths	A responsive management with efficient staff. A good academic ambience with lot of student centric activities and development.
Weaknesses	Inadequate infrastructural facilities to promote research. An efficient feedback mechanism is lacking.
Opportunities	Location advantage backed by a responsive management gives ample scope for attracting good academic activity.
Challenges	Keen competition from co-education based colleges in the immediate vicinity of the institution.

Recommendations

IQAC cell of the college is functioning in a systematic manner and is maintaining the records. However, it is suggested that each department need to have a coordinator other than the HOD of that department who could liaison with the college level IQAC Coordinator.
Department level QAC s shall function in a pro-active manner and their activities shall be properly documented.

- It is desirable if the calendar of events prepared at the College level should include co-curricular and extra-curricular activities also.
- The college should take initiatives to attract more faculty members towards research by organizing workshops/awareness programs on research prospects and funding opportunities available. For this the college could associate with universities/UGC/CSIR/AICTE/KCSTE etc.
- It is observed that the college is having a well equipped central library. But the usage rate seems to be very low. Steps should be taken to improve this.
- Some departments have inadequate classrooms and IT infrastructure (Computers & LCD projectors). This should be addressed at the earliest. Potential research departments shall be provided with necessary lab/ ICT facilities.
- Buildings in the college should be made disable friendly by providing ramps and wheel chair. Necessary safety measures including installation of fire extinguishers shall be ensured in laboratories.
- It is observed that there are no serious efforts taken to maintain data on student progression in the departments with documentary evidence. Efforts need to be taken to maintain documents related to student progression.
- The placement cell activities have to be strengthened. Efforts have to be taken to identify prospective employers and job fairs/ placement drives shall be conducted.
- Feedback shall be followed by proper analysis and actions. An on line feedback system may be devised and links may be provided in the website.
