

Vision: "To strengthen the emotional integrity of the nation by promoting Hindi as a national language".

Mission:

- To contribute to the literary and cultural excellence.
- To emphasize the humanitarian values through the literature.

Objectives:

- To produce linguistically skilled and intellectually competent students.
- To prepare the students to face the current challenges in the job market with command over the language.
- To make the Hindi language more application oriented through skill based training in speaking, reading, writing and translation, etc.
