Vision:

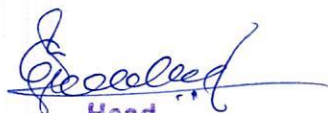

“To be an institute of academic excellence with commitment to quality education in Commerce to empower students with knowledge and skills in the field of commerce, trade and industry”.

Mission:

To emerge as a trendsetter in preparing students in the Commerce discipline to meet the challenges at the global level by increasing the employability.

Objectives:

- To enable every student to cope up with latest development in Commerce.
- To produce commerce graduates who possess the skills, problems solving tools and professionalism essential for academic excellence.
- To inculcate the sense of responsibility, social commitment and moral accountability among the students.
- To train the students to organize seminars, presentations and research oriented reports.
- To sensitize the students to their changing roles in the society through awareness campaigns.
